Hi!

Thank to you for picking me as winner.

Your final files are now uploaded to this site (logotournament.com) I kindly ask you to download and check your files, if there is any problem with them please let me know and I will solve the problem asap. If the files works correctly I kindly ask you to approve the final files so we can complete the process of the contest.

Kind Regards

Fracco

I sent you a message. We would like the hat changed to the ACU style vs the old BDU style. Could you make that change?

2 years ago

[Fracco](#)

Sure, will submit the file with changes in a couple of minutes.
